HAPPY BLACK HISTORY MONTH!!!

We are in the second month of 2025 and we pray that favor has been with you thus far as you have sought clarity, set intentions and began the work to birth amazing things this year. We, at BH365, stand in agreement with you that this be a powerful, productive and prosperous year for you in all that you do. We are in expectation that this will be our best year yet.

With all that is happening in our country under the new administration, Black History Month messages seem to ring even louder this year. Our mission at BH365 remains the same -- to takes students, educators and all people on a colorful journey to embracing an inclusive account of American History. Everyone benefits from understanding and acknowledging the contributions of people from varied cultures, ethnicities, and backgrounds in order to fully appreciate all of humanity. There is no dominant race, but individuals of shared ethnicities offer traits and talents that benefit society-at-large. We are committed to sharing the untold stories of the often overlooked.

HAPPY
BLACK HISTORY MONTH
FROM BH365

continued...

When we learn to grapple with our varied pasts, we are more prepared to create the future we deserve.

Regardless of what's happening around us, we at BH365 are excited about the opportunities that lie ahead, and we hope you are too. We stand committed to our mission. Let's champion this year with passion and excitement!

Watch this video from our BH365 Conference 2024 and learn why BH365 is needed and join us in continuing the mission.

BH365 3RD GRADE: AFRICAN AMERICAN LIFE AND CULTURE

African American Life and Culture covers the origin and history of enslaved Black people in the new world. Students will examine and discuss cultural traditions Africans brought with them and how they passed them down from generation to generation, and how they changed over time. In addition, students will examine African-American culture through the rich traditions of storytelling, food, and contributions of notable African Americans.

BH365 4TH GRADE : SHAPING A NATION: THE AFRICAN AMERICAN STORY

This unique set of first-grade books highlight African-American images and culture through the stories they tell. Each book is grounded in developmentally appropriate pedagogy while conveying the NCSS Standards for early grades learning expectations. Each book is designed to familiarize young children with relatable stories to promote diversity, learn about themselves, and understand their important place in the world.

BH365 5TH GRADE : AFRICAN AMERICANS AND THE ARTS THROUGHOUT US HISTORY

This book examines and explores the contributions of African Americans to the United States history and the Black community through the arts. The story of African Americans in this country is one of survival, resilience, and perseverance. Students in Grade 5 will study African American contributions in the visual and performing arts, music, literature, and stories of the Black church.

BH365 6TH GRADE: MODERN DAY AFRICA

Modern Day Africa explores the people and places, culture and beliefs, food, sports and leisure, the arts, and economics. Students in Grade 6 will learn about seminal people in Africa who are making a difference in each topic. In addition to this content, students will participate in critical analysis through several supplemental sections in each chapter. Finally, students can experience creative expression through several innovative activities interspersed throughout the book. Virtual field trips are included to expand students' exploration.

BH365 7TH GRADE : BLACK INFLUENCE FROM ANCIENT AFRICA TO MODERN TIMES

Black Influence from Ancient Africa to Modern Times explores the origin of Africa and its impact on modern day culture. Students in Grade 7 engage in a learning journey that includes the importance of health and well-being through the lens of African society; the Transatlantic Slave Trade; African American contributions during the Civil War; the establishment of historical institutions; and George Floyd. Virtual field trips are included to expand students' exploration.

BH365 8TH GRADE : THE BLACK EXPERIENCE IN AMERICA

The Black Experience in America (Early 1600s–Late 1800s) traces history through the eyes of African American explorers, early settlers, inventors, trail blazing leaders, from the 1600's right up to today's trendsetters. Students in Grade 8 will use interactive activities, and journal their personal learning as they answer thoughtful open-ended questions. The exciting stories will engage students from the beginning to the very end of their studies. Virtual field trips are included to expand students' exploration.
